RDA VEDANTA

DISTRIBUTION BOARDS

SPN (SINGLE PHASE NEUTRAL)

FEATURES

- Compact DBs which occupy minimum space.
- Raised neutral link for easy wiring.
- Scratch resistant because of glossy finish.

RANGE

- SPN – 4, 6, 8, 10, 12, 16 Ways

COLOUR

- Glossy Grey

TPN (TRIPLE PHASE NEUTRAL)

FEATURES

- Compact DBs which occupy minimum space.
- Raised neutral link for easy wiring.
- With a glossy finish, this scratch resistant surface is made to last.

RANGE

- TPN – 4, 6, 8 Ways

COLOUR

STANDARD CHANGEOVER

FEATURES

- CRCA sheet
- Epoxy powder coated enclosure with brass current carrying parts.
- Scratch resistant because of glossy finish.

RANGE

- Double Pole – 16, 32, 63, 100, 200, 400, 630 Amp
- Four Pole - 16, 32, 63, 100, 200, 400, 630 Amp

COLOUR

- Glossy Grey

DELUXE CHANGEOVER

FEATURES

- CRCA sheet
- The only brand to use pure electrolytic copper parts to prevent corrosion.
- Epoxy powder coated.
- This high quality scratch resistant device is designed with a matt finish.

RANGE

- Double Pole – 16, 32, 63, 100, 200, 400, 630 Amp
- Four Pole - 16, 32, 63, 100, 200, 400, 630 Amp

COLOUR

- Matty White

KNIFE TYPE CHANGEOVER

FEATURES

- Current conducting parts which performs making & breaking mechanism are in knife shape.
- Fitted with strong operation handles.
- Built with state-of-the-art design to ensure maximum current carrying capacity.

RANGE

- Knife Type - 32, 63, 100, 200, 400, 630 Amp

COLOUR

- Glossy Grey

BUSBAR CHAMBER

FEATURES

- Elegant Design.
- Pure electrolytic grade of copper for better conductivity.
- Both side detachable gland plates with knockouts.
- Heavy bars to ensure safety on heavy loads.
- High electricity resistant gland plates to ensure safety.

RANGE

- Busbar - 32, 63, 100, 200, 400, 630 Amp

COLOUR

- Matt Grey

AUTOMATIC CHANGEOVER

FEATURES

- Carry current continuously.
- Detect power failures
- Initiate the alternate source
- Transfer load to emergency source
- Sense restoration of power to the normal source.
- Retransfer load to the normal source.

RANGE

- Automatic Changeover – 32 Amp

COLOUR

- Grey

PVC MCB BOX

RANGE

- PVC MCB Box – 2 & 4 Way

COLOUR

- White
